SUBJECT: DIFFICULT TO START STONE CRUSHER BUSINESS IN AKOLA

RESPECTED MA'AM,

I GOT MOTIVATION TO START A STONE CRUSHER BUSINESS IN DEC 2024 AFTER LISTENING TO THE SPEECH OF RESPECTED REVENUE MIN SIR REGARDING MANUFACTURING OF M SAND IN OUR DISTRICT BUT IN EVERY SINGLE STEP THERE ARE SO MANY HURDLES I AM TIRED TRYING SO MANY TIMES. EACH DEPARTMENT HAVE THEIR OWN EXPECTATION FOR MONEY AND IF YOU DON'T FULFIL THE SAME THE WORK IS DELAYED IN MONTHS BY THEM

ALL OUR LEADERS IN COUNTRY IN THEIR SPEECHES TRY TO MOTIVITE THE YOUTH TO START MANUFACTURING AND CREATE EMPLOYEMENT AND THEY SAY ITS EASE OF DOING BUSINESS BUT THERE IS NO EASE OF DOING BUSINESS IF YOU DON'T PAY THE COST TO DEPARMENT (OTHER THAN THE OFFICIAL FEES)

THE STONE CRUSHER BUSINESS WHICH I AM PLANNING TO START IS OF 200 TPH COSTING PROJECT COST OF MORE THAN 12CR

I WANT TO REQUEST YOU PLEASE GUIDE ME I AM TOTALLY LOST VISITNG OFFICES NOW
